American Legion Auxiliary Unit 372

The year 2020 brought with it many curve balls that the Unit did not see coming but handle with grace.

Meetings were pushed back for months on end as well as a change of command with Kathy stepping down as Unit president and Reed Bailey being elected in October.

Our last meeting of 2020 was November and pressing issues, housekeeping and electing in the final open positions was handled. We are looking forward to the new year and all the challenges, memories, events and comradery that 2021 will bring. ALA Unit 372 is honing in on the meaningful and important community engagement projects and issues we as a group have voted on to support and participate in. A few being, to raise the funds to support a young lady for Girls State, reinvigorating the Poppy program and providing aid to our local Jacksonville, Florida veterans.

Thank you and we look forward to a successful 2021!

Yours truly,
Caitlin Bailey
