General Assembly Meeting Minutes

General Assembly meeting was convened at 1900 hours. Meeting was opened by Commander Alan Painter. Opening ceremonies were conducted.

Correspondence was read to the membership.

Jason York and Ace Collett were transferred into the post.

2nd Vice Commander Bernat provided the finance which was read into the record by Joe Maltese and was approved subject to audit.

The SAL will be fielding a team of Junior Shooters.

Joe Maltese spoke of a Post 233 Riders motorcycle ride. They will be at our post about 10:00 AM on March 28th. The "hat" was passed at the meeting and \$186 was collected which will be donated to them.

The SAL is working on their 5 Star Program where members are working on each star.

The school medals program is being conducted by Commander Alan Painter.

Steve Sullivan reported the \$61 was received from the aluminum can program.

As a result the Applebees Flapjack Breakfast making \$230 and the Riders poker chip run making \$3013 and a payout to the Poker winner donation of \$250, \$3493 was deposited in our building fund. Letters of thank you and appreciation were sent to all the posts that contributed to the event.

A motion was made and approved to donate \$100 toward the department hospitality room at the conference.

Nominations for office were made from the floor. There were only two nominations so far:

Joe Maltese Commander, Barry Litsky 1st Vice Commander. The other current officer must advise if they will run again. Other interested members can be nominated or can volunteer. We need more of our membership to step forward so that we can have more than one officer in a position so there can be continuity when one officer is unable to perform the duties of the office.

We are still preparing for our annual Law & Order Award ceremony on May 14, 2020.

Closing ceremonies were conducted at 1951 hours and the meeting was adjourned.
