Service Officer News

The VA added presumptive conditions for Vietnam Veterans exposed to Agent Orange. The full list and information can be found on our home page of alpost372fl.org. Contact our Service officer at adjutant@alpost372fl.org for information and to file a claim. **See below for important information about the recently passed Camp Lejeune Justice Act.**

Camp Lejeune Justice Act Information

Since the passage of the Camp Lejeune Justice Act there has been mass tort firms all over the country saturating the airwaves with advertising offering speeding settlements with no strings attached. However offset rules are being discussed, which means if you are receiving a disability for the recognized disorders or will receive disability payments your VA disability, it may be offset by the amount of the settlement you receive. The law firm of Bergmann & Moore works together with the American Legion to provide veterans with effective legal representation. The firm encourages veterans to file a claim for both the Camp Lejeune Justice Act and the VA. To learn more visit:

www.camplejeunelitigationteam.com/AL or call 800-898-9450.

Deploycare has put together a short article for three ideas to help veterans in any economy. The article can be found on our website under Important Links. Check it out to see if any of the ideas work for you or a veteran you know!
