

Hello Riders.

As we put May 2021 in the history books, June will also see the fiscal year end reporting come to a close. I would like to highlight a few areas.

It's been said when you see a large group of "bikers" on the road most likely they are on a Charity ride, or a Veteran's funeral escort. This is true with American Legion Riders. There are three groups that make up the American Legion (the Legion, Auxiliary, and the Son's of the Legion. The ALR is the only group to bring all three together. With this being said our year end reporting came to: ALR 372 logging in 30,675 miles, our donations are logged as money individuals donated to Rider events (rides, support dinners, raffle draws and yes the gas we used), and this came to a total of \$15,601.00, with 1923 hours. **WELL Done Riders.**

Our first ride for the year will be coming up D Day 6-6-21. In remembrance to this Solemn event ALR372 will be hosting riders from the 5th District and guess to ride from the Elks in Mandarin to Clyde E. Lassen Veterans home in St Augustine, AL Post 194 In St Augustine, the military museum near Green Cove, and the final stop at AL Post 233 in Palm Valley. Let's make 372 shine.

Bring a guest, and cars are welcome.
