31 MARCH 2023

Greetings American Legion Family:

As we continue the work of establishing our new Mandarin Post Home, the future of our Mandarin Post looks brighter than ever.

As our new Post comes on line, there will be many opportunities to participate during this exciting time. We will be calling on each of our members to add their special talents and ideas as we create the newest Post in the District.

Going forward, the Leadership of our Legion, Sons, and Auxiliary, must continue to evolve and grow.

March is the beginning of our leadership nomination period which runs from March through May. I have met with many of you and know that many of you have talents we need on our leadership team.

The leadership team will mentor new and aspiring leaders thoroughly. None of the leadership positions require you to know your duties inside and out on day one. It is important that we get new leaders each year to avoid stagnation and leadership burnout.

PLEASE NOMINATE SOMONE TO A LEADERSHIP POSITION NOW! I ENCOURAGE YOU TO NOMINATE YOURSELF IF YOU WANT TO HELP TO SHAPE THE NEW MANDARIN POST.

For God and Country,

Joe
